\* Note: At least \$10 million of the Proposition 50 Coastal Nonpoint Source Pollution Control Program funds are reserved for ocean protection projects. Ocean protection projects are those that meet the mutual priorities of the State Water Resources Control Board and the Ocean Protection Council. The projects that were not recommended for the ocean protection project funds will be considered for the remaining Proposition 50 Coastal Nonpoint Source Pollution Control Program funds, along with the proposed projects submitted for funding consideration as part of the non-ocean protection project Full Proposal applications in the 2005-06 Consolidated Grants Program.
